

PAYROLL COMPLIANCE IS TOP BUSINESS PRIORITY

We have all heard news of businesses being penalised for not properly accounting for payroll taxes withheld or underpaying employees. Businesses that are found to violate payroll compliance may be at risk of incurring significant fines and penalties.

TAPS and Ascender Professional Services provide a payroll compliance review and can recommend best practices that may help your business to adopt the necessary steps to build a robust, compliant payroll business process.

Efficient and effective
business processes

Policies and
procedures

Payroll functions
and calculations

PAYG
reporting

Logical access
controls and
segregation of duties

System
configuration

Risk
identification

Improvement
opportunities

Key areas TAPS can help to review and assist your business to design a plan to address the complexities around the standards and requirements on:

Payroll Tax

Fairwork

Awards & EBAs

PAYG & HELP

FBT

Superannuation
